

Year 1

Term 6 Week 3: 15th – 19th June

This week's topic: Pirates

Dear Parents & Carers,

We hope that you enjoyed learning about Africa last week. We have loved receiving your e-mails with photographs and examples of your work – well done! You can continue to send pictures of your work to us through the school email address: admin@dalmain.lewisham.sch.uk and make sure you include **FAO Miss Grant or Miss Rowse** in the subject.

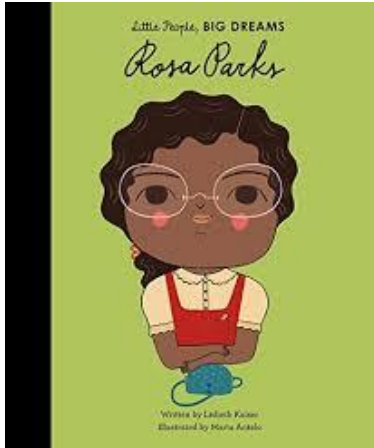

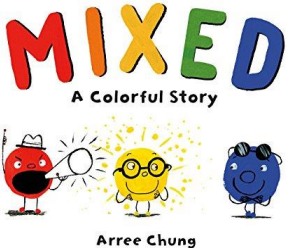

This week, we have produced a Year 1 plan around the theme of Pirates. This is one of our most popular themes and we are thrilled to offer you and your children the opportunity to learn more about this topic. You will find daily activities with resources available, either as links on the plan, as well as on the school website. As in previous weeks, we have included links to Phonics website phonicsplay.co.uk – for some activities you may have to sign in, in which case use the free membership username '**march20**' and password '**home**'. Continue to log on to SumDog for Maths and Grammar activities each week.

Engaging our children in discussions about the world around us is an essential part of learning at Dalmain. Children are actively encouraged to participate in meaningful dialogue where they express their feelings and share their concerns. Following the coverage of the recent demonstrations, your children might have become anxious or may be asking questions. To support any discussions, we have included a few child-friendly video clips that you may wish to use when addressing questions of race and equality. We hope that you find these useful but should you require further support, please do not hesitate to contact us via the school email address.

Your pack includes:

- Open ended project ideas and research topics
- Activities to explore independently or together
- Daily maths lessons
- Daily phonics lessons (10-15 minutes long)
- Games to play
- Ideas for science experiments
- Art and craft ideas
- Links to other learning resources

Day	Tasks	Completed ?
#blacklives matter	<p>There are a lot of important conversations taking place right now about race and equality. This is a great opportunity to inspire the next generation to help to improve the situation and make the world a much fairer place for everyone. Watch this short video clip of Elmo and his dad as they discuss the current situation in America in a child-friendly way.</p>  <p>https://edition.cnn.com/2020/06/06/us/cnn-sesame-street-town-hall-racism-trnd/index.html</p>  <p>There have been many people in history who have stood up against racism and protested about the unfairness of not being treated equally. One person who started the fight to ensure fair opportunities for all was Rosa Parks. You can find out more about Rosa's story by watching the 'Little People, Big Dreams' story being read here on YouTube.</p> <p>Rosa Parks – Little People Big Dreams https://www.youtube.com/watch?v=aCcSsjkQe9s</p> <p>How did you feel after you listened to Rosa's story?</p> <p>How would you feel if every time you got on a bus you had to move seats or stand up for someone else to sit down?</p> <p>Things have changed since Rosa's story but more still needs to be done.</p> <p>Twinkl have produced a presentation about the International day for the elimination of racial discrimination. It is aimed at Key Stage 2 children, but it might still be worth sharing with your child, taking a break when they ask questions and discussing the content. https://www.twinkl.co.uk/resource/t-c-254426-international-day-for-the-elimination-of-racial-discrimination-powerpoint</p> <p>Storytime</p>  <p>Mixed by Arree Chung is a story that explores diversity in a fun and engaging way. You can watch a video of it being read on https://www.youtube.com/watch?v=mn0ep5u0kZo</p> <p>After watching the video, discuss how the story made you feel and what you liked about the story.</p>	

Monday

What and who were pirates?

Click the link to find information on some pirates from the past.

<https://www.dkfindout.com/us/history/pirates/>

After looking through the information, discuss what you learnt. Did any of it surprise you? What do you think a pirate's life was like?

Writing activity

Draw what you think a pirate from the past looked like. Think about what they might wear...a bandana/hat/eye patch? Do they have a parrot? How might their appearance match their personality? Next, write some adjectives to describe your pirate's appearance and personality and remember to think of a great pirate name for them!

Maths

Week 7 Lesson 1 – Count in 2s. Watch the video on <https://vimeo.com/425797171>

Then please either print and complete the worksheet or write in your exercise book.

<https://resources.whiterosemaths.com/wp-content/uploads/2020/05/Lesson-1-Count-in-2s-2019.pdf>

Phonics

Some graphemes can be pronounced in more than one way. This week's phonics activities will help you revise common alternative pronunciations for graphemes and also practise reading words and deciding which pronunciation of a grapheme makes most sense.

Have a go at playing Cheeky Chimps.

<https://new.phonicsplay.co.uk/resources/phase/5/cheeky-chimps> and select the grapheme

ow

Can you help the chimps decide how to pronounce the tricky grapheme for each word?

Suggested words for writing or reading: **low, growl, flow, frown, window**

Suggested sentence for writing or reading: **Did the cow put his food in the bowl?**

Story time

Snuggle up and enjoy this amazing pirate tale!

<https://www.youtube.com/watch?v=mdWxBn-xvrQ>

Tuesday

Writing activity

Imagine you are the captain of a pirate ship. Who do you want in your crew? What sort of qualities do you think they must have? What jobs will they have to do?

Design your own job advert for a pirate. Make sure you read your sentences back to yourself to check that they make sense!

Maths

Week 7 Lesson 2 – Count in 5s

Watch the video on <https://vimeo.com/425797292>

and then please either print and complete the worksheet or write in your exercise book.

<https://resources.whiterosemaths.com/wp-content/uploads/2020/05/Lesson-2-Count-in-5s-2019.pdf>

Phonics

Have a go at playing Acorn Adventures.

<https://new.phonicsplay.co.uk/resources/phase/5/cheeky-chimps> and select the grapheme

ie

Can you drag the acorn to the tree that shows the same pronunciation?

Suggested words for writing or reading: **relief, lie, belief, cried, field**

Suggested sentence for writing or reading: **A thief cried, "Will you believe me please?"**

Storytime

Cbeebies bedtime stories read by Toby Stephens

<https://www.youtube.com/watch?v=3a7PJLqPfBA>

Wednesday

Remember that it is Wellbeing Wednesday – check the school's website for this week's updates! Look under News & Dates / Coronavirus Updates and you will find loads of resources and activities.

Storytime

Listen to this reading of the book My granny is a pirate:

<https://www.youtube.com/watch?v=t8ZKlvRblpM>

Which part of the story did you like best? Which part did you find the funniest? Why do you think Granny wants it to be a secret that she's a pirate?

After reading and discussing the story, draw a treasure map and describe what is on it. Write down instructions for the granny to help her find the treasure!

Cooking

Make yourselves a yummy pirate treasure map inspired pizza!

<http://wonderlandrecipes.com/2015/04/09/neverland-pirate-map-pizza/>

X marks the spot... ARRRGH!

Maths

Week 7 Lesson 3 – Count in 10s

Watch the video on <https://vimeo.com/425797444> and then please either print and complete the worksheet or write in your exercise book.

<https://resources.whiterosemaths.com/wp-content/uploads/2020/05/Lesson-3-Count-in-10s-2020.pdf>

Phonics

Have a go at playing Cheeky Chimps.

<https://new.phonicsplay.co.uk/resources/phase/5/cheeky-chimps> and select the graphemes c and g

Can you help the chimps decide how to pronounce the tricky grapheme for each word?

Suggested words for writing or reading: **reading, deaf, treat, bleat, feather**

Suggested sentence for writing or reading: **Is bread a treat?**

Thursday

Writing

After a storm, a pirate ship is on the verge of being wrecked. A frightened pirate finds a piece of paper and a bottle. They write down their last message before the ship sinks. What would they write...a letter of apology, a letter to explain what they have done or perhaps a letter to inspire other pirates? Imagine you are that pirate – have a go at writing the letter! Remember to write it in the first person (I/my)

Maths

Week 7 Lesson 4 – Add equal groups

Watch the video on <https://vimeo.com/425797578>

and then please either print and complete the worksheet or write in your exercise book.

<https://resources.whiterosemaths.com/wp-content/uploads/2020/05/Lesson-4-Add-equal-groups-2020.pdf>

Phonics

Have a go at playing Acorn Adventures.

<https://new.phonicsplay.co.uk/resources/phase/5/cheeky-chimps> and select the grapheme **er**

Can you drag the acorn to the tree that shows the same pronunciation?

Suggested words for writing or reading: **dinner, jerky, stern, herbs**

Then, play Sentence Substitution.

<https://new.phonicsplay.co.uk/resources/phase/5/sentence-substitution-ph5b>

Can you use your blending skills to read and create sentences?

Can you write some sentences using the words you have read?

Friday

Did you know that pirates still exist today?

You have learnt so much about pirates this week – but how many other facts can you find out? You could use child-friendly search engines like kidtopia.org or kiddle.co to find some more interesting facts about pirates. Start by thinking and writing down your own set of research questions.

Once you have all the information, you could make a poster, fact file, or presentation to display your new knowledge!

Maybe you could video call a friend or relative and share your learning?

Maths Investigation

Have a go at this challenge where you can practise counting on and back in steps of 1, 10 and 100.

<https://nrich.maths.org/10586>

Phonics

Have a go at reading these key words with a grown up: **who, where, again, thought, through**

Then, practise writing the Key Words and using them in a sentence. Say each sentence aloud first, then write it down in your exercise book.

Additional Activities

Science	<p>Some piratical science! https://www.science-sparks.com/category/early-years-science-2/pirate-science-experiments/</p> <p>A variety of ways to learn about different science topics with pirate based activities. Again, links are provided to different websites. https://kidminds.org/pirate-science-20-ways-to-play-and-learn/</p>
Art / DT	<p><u>Build your own Pirate Ship!</u> Ahoy there you lilly livered land lovers! What self-respecting pirate would be without his own Pirate Ship? You may need a little help to cut the templates and build your boat. Follow these instructions and set sail across the seven seas! https://www.redtedart.com/diy-cardboard-pirate-boat/</p> <p><u>Buried Treasure!</u> Create your own pirate treasure map! Follow the link to get step by step instructions. https://www.youtube.com/watch?v=rfg35tMFYkI</p>  <p><u>Land Ahoy!</u> Follow these simple instructions to make your own telescope, just don't forget to use the eye without your pirate patch on! https://family.disney.com/craft/a-diy-telescope-inspired-by-pirates-of-the-caribbean-dead-men-tell-no-tales/</p> <p><u>Eye-eye Captain!</u> Don't forget your patch or yee'l walk the plank! https://www.instructables.com/id/Make-a-pirate-eye-patch-for-your-kids-or-masquerad/</p> <p><u>Pretty Polly!</u> If you don't have a Parrot ye not a proper pirate! https://www.bbc.co.uk/cbeebies/makes/swashbuckle-parrot-pal</p>  <p><u>Challenge: Captain Jack Sparrow</u> Follow the link to learn step by step instructions on how to draw the infamous pirate from Pirates of the Caribbean! https://www.youtube.com/watch?v=tVhE QJsUGpw</p> 

Draw your own Pirate Ship!

<https://www.youtube.com/watch?v=5FZLrWwcCNk>

<https://www.youtube.com/watch?v=yG1DMsQK74M>

Pirate Party Food!

Follow the link to make delicious treasure map pizza's, root beer, pirate cake and watermelon pirate ships! Aaar!

<https://www.bettycrocker.com/menus-holidays-parties/mhplibrary/birthdays/pirate-party-foods>

We now have a Dalmain Twitter Art page [@dalmain_art](https://twitter.com/dalmain_art) for you to share your work with the rest of the school community! We would love to see what you have created to celebrate the gifted artists we have in the school. We will also be sharing ideas and inspirational arts and crafts so don't forget to take a look.

Music

Hey, ho me hearties! Start off your day by singing the 'Hello song' warm-up that we sing at school

<https://www.bbc.co.uk/teach/school-radio/music-ks1-sun-sea-song-index/zr4x2sg>

Can you remember how to show the high and low notes using your hands when you are singing the song?

Sing this to someone in your family and ask them to sing it back to you.

The word in music for the high and low sounds is 'Pitch'

BBC Pirate songs: <https://www.bbc.co.uk/teach/school-radio/primary-school-songs-pirates/zjgk7>

Sing along to these songs. Try tapping the steady beat when you are singing.

Can you make up some new words to the song 'When I was one'?

For example: 'When I was one, I ate a bun', 'When I was two, I sneezed: "atishoo!"

Draw some pictures of the new verses that you have made up.

'Swashbuckle cheer': <https://www.bbc.co.uk/cbeebies/watch/cbeebies-prom-swashbuckle>

At the end of the song why not finish off with a swashbuckler cheer!

BBC Sun, Sea and Sand: <https://www.bbc.co.uk/teach/school-radio/music-ks1-sun-sea-song-index/zr4x2sg>

Join Nigel Pilkington and Suki - the ship's monkey - as they set sail in search of buried treasure...and enjoy plenty of songs along the way!

There are seven songs about the sea. How many can you learn? Do you know any of them already?

At the end of each section there is a listening activity for you to enjoy.

'The Seahawk' by Erich Korngold: CBBs Pirate Prom:

<https://www.bbc.co.uk/cbeebies/watch/cbeebies-prom-gem-pirates>

Listen to this piece of music all about a ship sailing on the sea. Pretend that you are in the pirate ship riding the waves and climbing the rigging. The pirates in this piece of music are called the 'Seahawks'.

How many different instruments in the orchestra can you name?
Can you hear the trumpets, the violins, the drums and the flutes?
Can you dance around the room pretending to be the ship on the big waves?

P.E.

Dance

Each week, you will be provided with a dance lesson from Trinity Laban. There will be a new video each week with a different theme. All you have to do is click on the link and use the password provided by the school (sent via ParentMail) to access the video. Have fun!

This week's video is **My vegetable garden** - <https://vimeo.com/425824919>

Cosmic Yoga – a Pirate special

<https://www.youtube.com/watch?v=Gldw-9bIXM>

KIDS PIRATE GAMES you can play outside with your family or friends

MUTINY!

This is one of the best pirate games, in my opinion. It needs to be played outdoors or in a large indoor space. The little pirates are all given swords (either foam or inflatable) and they must race to capture the captain. Every time the Captain is touched with the sword they must stand in the spot until they give away some of their booty (candy) to be released. The game is played until the Captain runs out of candy. This game is also known as the human piñata.

The captain can be played by you or you can enlist a member of your family (for a bonus have them dress up a little).

WALK THE PLANK / PIRATE DUEL

For younger children a simple task to walk across the plank without losing balance is a fun challenge.

For this pirate game you will need a plank which you can make yourself with a long board. You don't need to have it far off the ground (you don't want any injuries) but you can prop it off the ground a little with milk crates, old tires, etc. Just make sure it is sturdy enough for the kids to stand on without wobbling.

For those children who need a bit more of a challenge you can include the element of a pirate

duel. Any self-respecting pirate will know how to wield a sword, especially in desperate situations. Two pirate participants, armed with swords, step onto the plank and duel while maintaining their balance. The person to stay on the longest is the winner, and the next two pirates take their turns. You can make your own swords from those long balloons used for balloon animals, pool noodles, or using a cardboard tube roll.

Extra fun

[Easy Spyglass Telescope Craft](#)

Make this spyglass telescope and you will be the first to discover the new world from your make believe perch in the crow's nest of the Santa Maria or spot pirates roaming the seven seas.

Materials:

- Paper tube (paper towel or gift wrap)
- Construction paper
- sellotape
- Optional: plastic wrap
- Optional: stickers for decorating

Instructions:

- Optional: Take a small square of plastic wrap and cover one end of the paper tube. Secure the plastic wrap with tape. This is the glass lens for your spyglass. Don't worry if it is not neat because you will be covering the edges of the plastic wrap in the next step.
- Cover the outside of your paper tube with construction paper. (You choose the colours) Add a narrow strip of yellow around the end that has the glass (plastic wrap).
- Optional: You may like to decorate your spyglass with stickers.

Pirate Ship Collage

Here's what you'll need...

- Construction paper
- 3 craft sticks
- White paper
- Cheerios
- Glue
- Scissors

Here's how you make it...

1. To make the ocean and sky you will need to cut a small strip of dark blue paper onto the bottom of the light blue piece of paper (you'll have to prepare this ahead of time for younger children). Trace and cut out the boat and sail shapes from the template. Have the kids glue the boat into the ocean.
2. Make two slits in each sail. One at the top and one at the bottom. Slide the craft stick in and out of the slits so that the sails stay in place. Younger children can just glue the sails on top of the craft sticks.

3. Glue the sails in place on the boat. Glue 3-4 Cheerios on the boat as windows, and now your Pirate Ship Collage is complete!

Another option is to add cotton ball clouds onto your scene, just pull them apart a little and glue them on.

Pirate's Treasure Chest Craft

Materials:

- empty Kleenex box
- black and yellow construction paper
- printer
- scissors
- glue,
- something to colour with

Instructions:

- Cover the Kleenex box with black construction paper (all sides). Use enough glue that when we slit open the top the paper will stick.
- Using sharp scissors, have an adult cut around 3 sides of the kleenex box, about an inch from the top (so the treasure chest opens). You will need to bend the cardboard back on the remaining, attached side so the chest opens and closes nicely.
- Glue a piece of yellow or red construction paper, felt or tissue paper to the inside of the "lid" and chest (so it looks like a nice velvety lining)
- Now comes the fun part! Print out the template of choice.
- Colour the pieces, as necessary and cut them out
- Glue the KEEP OUT warning onto the top (lid) of the chest
- Cut 1/2 inch strips from yellow construction paper and glue them to all the edges of the treasure chest.
- Glue the lock onto the front of the chest

- | | |
|--|--|
| | <ul style="list-style-type: none">• Glue the handles onto the sides of the chest.• Optional: Glue sequins, fake jewels or painted rocks onto the lid for a jewel encrusted treasure chest• Fill with gold coins (chocolate ones are my favourite!) |
|--|--|
