

Reception 2020 Summer holiday activity

We hope you are excited about starting Reception in September - we definitely are! We cannot wait to meet you and get to know you.

We would like you to work on a special project with your parents and carers over the Summer holidays. There are two options so you can choose which one you would like to do.

Option one:

We would like you to take a photograph of you with your family doing something that you really love and that makes you happy. You could be in the park, in your house or even in a new place! It could be your extended family or just your close family – you choose!

Option two:

We would like you to make a collage all about you on A3 paper or card. You can stick photographs of you and your family, draw some of your favourite things (for example your favourite book, activity or TV programme) and even decorate it with some pictures or stickers.

We hope you have fun with this project! We would like you to bring it to school in September to show your new teacher and all your new friends. We will find a special place in your new classroom to display your photos and collages.
