

Dear Parent / Carer

Alliance in Partnership (AiP) are delighted to be the caterer at your school.

We provide nutritious healthy meals for the pupils to enjoy and provide them with all the nutrients and energy to get them through their busy day. We offer a wide selection of choice to suit everybody's taste to ensure we cater for the whole school.

Our menu offers a choice of fresh, healthy cooked food which meets the Government food-based standards and has been nutritionally analysed to create balanced, healthy meals. Our menus retain the Food for Life Catering Mark and are freshly prepared using the finest, fresh and local ingredients.

A copy of the September menu can be seen overleaf. Please note that due to the current restrictions that we have in place due to the current the COVID-19 pandemic, this menu may change slightly. This is so that we can still adhere to social distancing measures that may still be in place and adapt to the schools' new ways of working.

All meals are freshly prepared daily by a dedicated team using fresh ingredients. We operate menus on a 3 weekly cycle which includes main course, vegetarian course & a jacket potato or pasta option. All our menus meet and exceed all national nutritional standards.

We understand it is important for your child to have a healthy lifestyle and acknowledge that the dining experience is a social skill that your child has already developed. However, we want to build on that, making eating fun and exciting, with a number of fun days and events throughout the year.
