

# Welcome from FoD

Friends of Dalmain (aka FoD) is the school Parent-Teachers association. Welcome to Dalmain!

## What is FoD?

As Dalmain parents and carers we are all automatically members of FoD, and we would like to take this opportunity to ask you to get involved!

We have three main goals...

FoD is now a charity and works in a variety of ways to strengthen connections between the school community and provide opportunities for parents and staff to enrich school life.

## What we've done

RUN SUMMER & WINTER FAIRS ANY WAY WE COULD DURING THE PANDEMIC...

Helped fundraise to resurface our sports facility 'the pen'	Paid for coaches to support school trips as soon THE MOMENT we could start helping with them again  ONLINE PANTO WITH POPCORN AT CHRISTMAS	Regularly paid for books to top up the new lovely library
--	--	--

Refurbished the pond in the wildlife garden and started new schemes to 'green' the playground

PAID FOR A TREE SO STREET TREES FOR LIVING WOULD GIVE US ANOTHER 13 FOR OUR STREET...

## How can I help?

Even if you are new to school, think you only have a little bit of time to spare or even none at all, we'd still love you to get involved!

Bake a cake, be a class rep, help run a school uniform sale, join our meetings, bring your fresh ideas and enthusiasm. It all helps. Many hands make light work.

## Summer fair

We are thrilled to be doing our first in-school fair in ages...
