It is our vision for every pupil to participate, enjoy and succeed in physical education. We recognise and celebrate the importance of P.E. and the role it has the play in promoting long- term healthy lifestyles. Through our P.E. curriculum, we provide all children with high quality P.E. and sport provision. We strive to inspire our pupil through knowledge rich and engaging P.E. lessons that are enjoyable, challenging and accessible to all. Furthermore, we aim to identify the gifted and talented children, ensuring we have the necessary external links for them to develop their talent further. Through our teaching of P.E., we provide opportunities for pupils to develop values and transferable life skills such as sportsmanship, teamwork, fairness and respect, as well as providing them with opportunities to take part in competitive sport.
