2023-24 Class Teachers & Class Names

Dear Parents and Carers

I am delighted to announce the 2023-24 Class Teacher allocations and our new Class Names.

We are exceptionally privileged to have such a skilled, dedicated and aspirational team of teaching staff at Dalmain, and I am extremely confident that all of our children will thrive under the tutelage of their 2023-24 teachers. We are also very excited about learning about mythical creatures too, as voted for and chosen by the children as the theme for their new class names for next year!

We have facilitated our usual transition activities in school, and today your children will have met with their new class teachers and visited their new classrooms. Our pupils will also have been given a transition pack which provides them with a few activities to complete during the summer holidays in preparation for the new academic year.

As always, a huge amount of preparation has already been undertaken behind the scenes to ensure that all transition information has been provided to the appropriate staff members ready for the new term. I can assure you that all children will be fully supported to start the year positively with their next teacher and we will be monitoring how pupils settle into their new classes, assisting children where needed so that they feel confident to learn and excel.

We look forward to the new term and the children moving up to their next year group.

Kind regards

Ms Eisele
Headteacher
