Dear Parents and Carers,

I am thrilled to extend a warm welcome to you as you embark on this exciting journey with our school community. My role is to ensure that all pupils have equal opportunities and access to a diverse and enriching curriculum and are fully included in all aspects of school life. A key part of this is the early identification of children's needs.

If your child has previously received support, either in their current setting or nursery, from speech and language therapists or from a paediatrician, or if you think your child may need extra help, please do not hesitate to get in contact with me. Your proactive communication allows us to tailor our support from the very outset of your child's educational journey here at Dalmain.

You can e-mail me on senco@dalmain.lewisham.sch.uk using the subject heading New starters Nursery / Reception (followed by your child's name). This will enable us to schedule either a telephone conversation or an in-person meeting before your child joins us in September.

I look forward to meeting you and working with you to support your child as best as we can.

Kind regards,

Anjali Sewani
Assistant Headteacher
Inclusion Team Leader
