Ms Erika Eisele

We are absolutely delighted to welcome you and your child to Dalmain Primary School, and to the very beginning of their learning journey with us. It is a real privilege to be part of these important early years, and we are so excited to have you join our vibrant and caring school community.

Dalmain is a happy and nurturing environment, where children, staff, governors and families work together to create a warm and inclusive community. We are incredibly proud of the relationships we build and the sense of belonging we foster, ensuring that every child feels safe, valued and ready to explore.

In our Nursery, we focus on providing a rich, play-based environment where children can learn through exploration, discovery and meaningful experiences. We place great importance on developing children's confidence, communication and independence, while supporting their social, emotional and physical development. Every child is encouraged to be curious, to try new things and to develop a love of learning from the very start.

Our provision is carefully designed to support the whole child. Through a balance of adult-led and child-initiated activities, children begin to build key early skills while developing friendships, resilience and a sense of self. We recognise that every child develops at their own pace, and we celebrate each step of their journey.

We also know how important the partnership between home and school is, particularly at this early stage. You are your child's first and most important educators, and we value the knowledge and understanding you bring. By working closely together, we can ensure that your child feels secure, happy and supported as they begin their time at Dalmain.

We very much look forward to getting to know you and your child, and to working together to provide the very best start to their education.

We hope you find the information provided helpful. Please do not hesitate to speak with any member of our Nursery team or myself if you have any questions—we are always here to support you.

With warmest regards,

Ms Eisele  
Headteacher
