Dear Nursery 2026 Parents and Carers

Welcome from the Chair of Governors

On behalf of the Governing Board, congratulations on the start of your child's primary school journey. To those who are new to the school, a very warm welcome to the Dalmain community – one that I am immensely proud to be a part of.

Those with children already at the school will know what a committed, professional and inspiring staff body the school has. Dalmain is proud of its diverse, highly skilled and caring educators. We also benefit enormously from our fantastic community – the parents, carers and families who support the school and help make Dalmain a very special place to be.

It is always terrific to see the many activities on offer at Dalmain, which help to enrich our children's learning and support our key values of adventure, acceptance, and teamwork. Alongside skilful delivery of the core and wider curriculum, a wide range of enrichment opportunities are embedded across lessons to enable children to flourish in their primary school years. As Ofsted noted in their most recent visit, "Pupils leave the school well rounded and very prepared for the future" – feedback which is testament to the excellent provision on offer every day at Dalmain.

As Chair, I lead the Governing Board at Dalmain, which comprises committed individuals with a range of relevant experience and expertise in areas such as law, HR, finance, public health and safeguarding. Broadly, the Governing Board's key areas of responsibility are to support the strategic management of the school, work with the senior leadership team to ensure the performance of the school and quality of education, and provide oversight of the school's financial performance. We are privileged to support such a wonderful school – one which strives to provide the very best education possible to a vibrant and diverse student body.

There are also opportunities for parents and carers to support school activities and improvements. The school's fabulous PTA, Friends of Dalmain, will be thrilled to hear from those wanting to get more involved. Whether it's helping with eco-improvements to the premises, organising the summer fair, or volunteering as a class rep, there are lots of ways to contribute to the school community.

I wish you and your child all the best as you prepare for Nursery, and an enjoyable summer ahead of an exciting start in September.

With very best wishes

Talia Boshari
Chair of the Governing Body
